

Welcome to Drive 4 Pass – Your First Lesson Details

Hi,

Thank you for booking your driving lessons with Drive 4 Pass. We're looking forward to helping you become a safe, confident and independent driver.

Before your first lesson (please read)

To make sure we can start your lesson smoothly, please bring:

- Your UK provisional driving licence (your instructor must see it before the lesson can start)
- Glasses/contact lenses if you need them for driving
- Thin-soled shoes/trainers (best for feeling the pedals and improving control)

Please avoid flip-flops, sliders or high heels.

What happens in your first lesson

Your instructor will quickly go over:

- A short meet & greet and safety briefing
- Basic controls and cockpit checks (seat, steering, mirrors, etc.)
- A plan based on your current experience level (complete beginner or some previous lessons)

Payments (important)

Payment is made directly to your instructor at the start of each lesson, via:

- Cash
- Bank transfer

Please note: Drive 4 Pass does not take lesson payments — your instructor will handle this with you directly.

Quick reminders

- Please be ready on time at the agreed pick-up point.
- If you need to change or cancel, please let your instructor know as early as possible (ideally 48 hours' notice).

If you have any questions before your first lesson, just reply to this email and we'll help.

Kind regards,
